Acrobatic Gymnastics

This year, we had two teams from Kelowna Gymnastix compete. A trio, consisting of Junelle Sabang, Sarah Lawless, and Erica Stojke, in the Age Group 1 Woman's Group advanced through the weekend and finished with bronze medals.

We also had a Woman's Pair team, consisting of Olivia Clark and Noelle Lano, in the Age Group 1 Woman's Group, who also finished in finals with bronze medals.

"I am so proud of all the athletes as they proved Nationally the BC is a very strong and worthy contender," stated coach, Shawna De Leske. "I look forward to the next season with some big international meets!"
