

Cleaning ALL your equipment, mats, beams, vault tables and more!  
SAFE. SIMPLE. EFFECTIVE. ENDLESS POSSIBILITIES.

All Purpose Cleaner

- Facility uses include: bathrooms, lobbies, offices, daycare, mirrors, countertops, floors, etc.
- Gym equipment uses include: all vinyl, matting, metal apparatus, training aids, toys, etc.
- Spray on, wipe off
- For carpet bonded foam we suggest, spraying down the floor and then either letting it sit or vacuuming it up.
- For beams we recommend using only as needed
- For cleaning pits use a fogger or weed sprayer, pour the diluted solution into those appliances and spray it directly into the pit
- Ideally a pit fluffer would be used as you spray to make sure you get the bottom of the pit

Chalk Remover

- Used for cleaning chalk off equipment
- Can be used on EVERYTHING
- Spray it directly on a beam and wipe off the chalk
- Proven to extend the life of a beam by keeping the moisture in and not drying them out
- Highly suggested to use on the beam after use, so it has time to dry

Product Pricing

Chalk Remover \_\_\_\_\_ \$100.00 gal.  
All-Purpose Cleaner \_\_\_\_\_ \$90.00 gal.  
All-Purpose Cleaner \_\_\_\_\_ \$18.00 16oz.
