Sanctioning Requests for Artistic and Trampoline Competitions

EVENT SANCTION INFORMATION

The [Sanctioning Form](#) can be found on Activity Messenger. Please note that the deadline for submitting sanctioning requests is June 15, 2022. Clubs are strongly encouraged to provide alternate dates since first choices cannot be guaranteed.

Applications and payments of \$30 must be received at the GymBC office by the June 15, 2022 deadline. Only complete applications will be considered. Applications made by email (no online forms complete or payment collected) will not be considered.

SOCAN-Re:Sound is a Canadian-based organization that collects license fees for playing or broadcasting live or recorded music. In order for GymBC to ensure that sanctioned events are appropriately licensed, a portion of GymBC event fees goes towards SOCAN-Re:Sound.

Applications or payments received after June 15, 2022 will result in the sanction fee increasing to \$200. Late applications will not be guaranteed acceptance. Sanction fees are non-refundable.

Please remember that there will be several competitions on each weekend. We will do our best to minimize conflicts but may not be able to do so in all circumstances. We recommend that clubs contact their Zone Director to discuss dates and to avoid conflicts with other events within their zones.
