CELEBRATING 30 YEARS

So ALL Kids Can Play!

The KidSport concept was launched in 1993 by board and staff at Sport BC as a way to help address the challenges faced by many families when registering their children in organized sport.

Since then, the KidSport program has expanded to become a national entity with operations in 11 provinces and territories and over 160 community chapters across Canada.

Here in BC, KidSport continues to be operated as a program of Sport BC with 40 community chapters in addition to the BC Provincial Office.
